

ADDENDUM NO. 3

(Issued October 18, 2016)

GREATER ORLANDO AVIATION AUTHORITY NOTICE OF SELECTION OF AUTOMATED PEOPLE MOVER (APM) TECHNOLOGY FOR AIRSIDES 2 AND 4 APM IMPROVEMENTS PROGRAM (W360) ORLANDO INTERNATIONAL AIRPORT

A site visit for all interested parties has been arranged for Monday, October 24, 2016, at 1:00 p.m. Meeting location is the Greater Orlando Aviation Authority's Executive Offices, Level 3, Landside Terminal, One Jeff Fuqua Boulevard, Orlando International Airport, Orlando, FL 32827.

The number of attendees must be limited to not more than three (3) individuals per firm because of Security requirements. Submit an email indicating your intention to attend this site visit to the following address:

W360APMTECH@goaa.org

Include in this email a list of all persons that will attend the site visit and their company.

Questions during the site visit will be limited to requests to visit specific areas. No technical questions will be answered during the site visit. All such questions must be submitted in writing to the email address listed above.

As a reminder, technical information, including drawings and photographs of the existing Airsides 2 and 4 APM system plus the Landside and Airside APM stations, is available on Box.com at the following link:
